How Can I Support You?

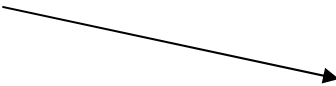

Check out my calendar to see when I am in your building. Let me know how I can support you with technology you currently have in your building or let me show you how you might use an iPod Touch or iPad with your students.

Last Updated: May 2011

[Back to HCPS website](#)

As with all material found on the Internet, teachers and parents should be very careful in allowing students to explore these sites unless direct supervision is provided. HCPS is not responsible for the content of various links beyond the initial levels of each site.

[Update Page Order](#)

My Site Menu

Change the order of the items on your menu here. Lower numbers move the item to the top of the menu. Only use values between 0 and 99. You may also change the menu titles.

I have hidden my Technology Bucket List page by simply clicking on change.

Remember to click on Update Page Order.
