Hi Dave,s

Rob customized a survey tool for us to use from phpWebSite. It is a component of a content management system. Here's an example:

[http://www.harrisonburg.k12.va.us/tech/forms/index.php?module=phatform&PHAT_MAN_OP=view&PHPWS_MAN_ITEMS\[\]=18](http://www.harrisonburg.k12.va.us/tech/forms/index.php?module=phatform&PHAT_MAN_OP=view&PHPWS_MAN_ITEMS[]=18)

You might want to contact Rob for more information

Have a wonderful holiday!
Karen
